

Find a Widow ~ Bless a Widow

National Widows Day - Friday, May 3rd

James 1:27 says, "Pure and genuine religion is to care for the widows and orphans."

Take time to Find a Widow and Bless her by:

- Bringing her flowers or a gift
- Sitting and talking with her
- Taking her to dinner or cooking for her
- Let her talk to you about her husband

This is true and pure religion. Together let us remember the widow who feels left out and alone. Let us be Christ to them. Widowslink.org
